

Reserve your puppy

We have the right to refuse puppy sales to anyone if we don't feel comfortable with how the puppies will be raised.

Filling out our puppy application is essential for the approval process.

Our puppies start at \$3,500

Deposits

In order to secure your fur baby, a deposit of \$1,000 is required. The deposit is a commitment from you to pay for and take delivery of your new puppy when the puppy is ready for his/her new home. Puppies will be ready for their new homes between 8-10 weeks of age unless other arrangements have been communicated in writing. Deposits are NON-REFUNDABLE unless otherwise agreed in writing. Failure of the buyer to complete the purchase would subject seller to lose opportunities to sell the puppy to other interested buyers and retention of the deposit is meant to compensate seller for his/her possible loss. This deposit signifies the intent on the part of the buyer to follow through with the purchase of this puppy.

The seller reserves the right to void this transaction and refund the deposit if we learn of any reason why the buyer might not be suitable for the puppy.

If the transaction is voided or if through some tragic accident the puppy were to pass away or otherwise be seriously injured before it goes to its new home, the deposit will be returned to the buyer; unless the buyer wishes to apply the deposit to another puppy, if one is available, or to a puppy from the next available litter.

Deposits can be sent via Venmo, Zelle or PayPal once you are approved for a 24KT Alapaha Blue Blood Bulldog
